# PLEASE READ CAREFULLY

**PLEASE DO NOT SEND STAMPS.**

Do not change collections or special sets. The collections are made up as they are for definite reasons and we cannot change them. Any of these collections or specials are very good values.

Do not split quantities as listed. Where a variety is listed at 2 for 15 cents or 4 for 15 cents do not order 1 or 2 at a lower price. There is no profit in any items at less than 10 cents and very little at that price. **No single item accepted for less than 10 cents.**

**EXTRAS ON CASH ORDERS.** On cash orders of \$2.00 to \$5.00 you can select 10% extra in bulbs of your own choosing. From \$5.00 to \$25.00 select 15%; \$25.00 to \$50.00 select 20% and above \$50.00 select 30%. **These Discounts do not Apply to Collections, Special Offers or Wholesale Prices.**

**TO MAKE OUT YOUR ORDER** put everything down on the order blank, just as listed in the price list. Add it up, then figure out any special discounts or add on the extra bulbs of your choosing. It is all very simple but some people seem to have a lot of trouble in making out an order.

Also on all orders of \$15.00 or more I will put in a bulb of REWI FALLU.

On orders of \$30.00 or more I will put in 2 free bulbs of REWI FALLU.

The above discounts and extras are all for cash orders. The earlier the orders are received and the larger they are the more generous we will be with our extras. If you cannot spare all the cash now send 25% and the balance later and we will see that you are satisfied. **But the above extras are only for cash before shipment.**

Packages of bulblets run from twenty-five to fifty or more. We give very good value

You can have 3 bulbs at the 10 rate; 25 at the 100 rate. But no single items for less than 10 cents.

I GUARANTEE SATISFACTION and I mean just that. If at any time, either after receiving the bulbs or after blooming, you have cause for complaint just write me about it and I will do my utmost to make things right. This is the only basis on which anyone can hope to conduct a business that will be permanently successful.

At these prices all bulbs, except the wholesale offers, are prepaid anywhere in the United States and Canada and all countries in the Postal Union.

**SPECIAL QUOTATIONS.** Do not ask for special quotations unless you have a large order. We will not consider quoting any special prices on small orders. I publish this price list to give people the prices and do not consider it honest to give one person a lower price than another. **However on a very large order we may be able to make lower prices on certain items to Growers, Dealers or Jobbers.**

**REMEMBER** in buying bulbs price is not everything. In fact sometimes price is a minor item. Consider the quality, count, the reliability of the grower, etc. I always mean to put in enough extra count or over size to make up for any lower price that other good reliable growers might make. **Just leave it to me.**

**IF YOU WANT TO PAY TRANSPORTATION** and get extra count on your order just mention it and I will send your order collect and will see that you are more than satisfied. Just mention whether you want extra count on your order or extras in other kinds and what kinds. If you want bulbs sent by mail it is better to have them go C. O. D., then we know the postage is correct and I will give you more than enough bulbs to make it up.

**ON FAIR SIZED ORDERS, EXPRESS** is safest and best especially in the winter time; I advise it if you are situated so as to get free delivery by the express company.

**EXTRAS.** It is the practice of most growers to give extras on orders. I always put in some myself. So it would help me if you will mention whether you want extras of the same varieties that you order or in other kinds. And if you have a preference it will help me still more if you can name the varieties in which you want your extras and if you want large, medium or small bulbs or bulblets. Just give us a list of varieties from which to select your extras. We will put in what we think the order rates.

**PLEASE DO NOT SEND STAMPS.**

# Prize Winning Dahlias

**AIDA (F. D.)** Dahlia fanciers who like dark ones sure will like this one. Color is a deep mahogany red with a velvety maroon cast. Roots \$25

**ARELDA LLOYD (I. D.)** A sport of Jane Cowl having the same habit of growth in every way but of a clear golden yellow color throughout. The highest scoring, and easily the most outstanding variety, in the 1933 Storrs trial gardens. If you like Cowl you will like this one. Roots \$1.50

**AMELIA EARHART (S. C.)** A 1933 Honor Roll winner which has proved its worth. Coral in color and a producer of many 12 inch blooms. One of the real outstanding new varieties. Roots \$1.00

**EAGLE ROCK FANTASY (I. D.)** This giant variety has carried out every claim made for it as it has been a prize winner from coast to coast. The color is an unusual shade of orchid or mallow pink. Roots \$1.00

**FORT MONMOUTH (I. D.)** This has undoubtedly won more prizes in the largest bloom class than any other variety grown. The color is rich wine red with an underlying tone of brilliant crimson maroon, and a slight bluish violet tone at the tips of petals. The stems are long and stiff, flowers do not burn and last well when cut. Roots 3 - \$1.00

**JANE COWL (I. D.)** This giant flower is easily the most outstanding variety of the present generation. It is far too well known to require any lengthy description. However, for the benefit of any beginners, we will say that it is a glistening bronzy buff of ideal habits, and by all means try it. Roots \$.35 3 for \$.75

**LORD OF AUTUMN (F. D.)** This was easily the most outstanding of all the 1934 introductions and a winner wherever shown on the exhibition table. The color is clear deep yellow and the size will compare with the largest. It has a long stem and is just about as ideal growing a variety as we have today. Roots \$3.00

**MARY HELEN (Ball)** We were very much pleased with the reception given this dahlia. We felt that there was need for a good yellow Ball dahlia, and the satisfaction with which this has been received has justified this opinion. Mary Helen is the largest type of Ball dahlia with very fine erect stems. The color is clear glistening yellow. Roots \$.25

**HAWAIIAN NIGHTS (I. D.)** Immense blooms (can be grown 12 in. across) of intense scarlet suffused orange, with gold striped reverse. Roots \$.25

**MRS. H. E. WHEELER (F. D.)** A wonderful dahlia—fuchsia red shading to magenta. Reverse of petals is striped white in the center. Admired wherever displayed. Roots \$.30 4 for \$1.00

**MRS. C. D. ANDERSON (Ball)** Large, rosy magenta of good size and a strong grower. Roots \$.25

**MRS. J. K. ALAXENDER (I. D.)** Largest yellow grown. Fine color. Roots \$.50

**J. K. ALAXENDER JR. (I. D.)** Very large red. Grows 14 in. across. Roots \$.50

**KING OF THE BLACKS (F. D.)** Darkest dahlia known. Roots \$.50

**MURPHY'S MASTERPIECE (I. D.)** This immense red is a prize winner whenever shown. It can be grown larger than any other existing variety and with no particular forcing. Color rich red. Roots \$3.00

**MYRA HOWARD (I. D.)** A 1932 introduction which made good wherever grown. It is a massive flower of the Cowl type with firm heavy stems. The color is a combination of saffron yellow, gold and tints of salmon, the entire effect being an ochrous orange. Roots \$.50

**PRINCE OF PERSIA (I. D.)** A new red from the West which is making good. The flowers are very large, frequently a foot in diameter, of the most rich glistening crimson imaginable. The bushes are tall with a tough healthy foliage. Roots \$.35

**PRINCE OF ASIA (I. D.)** Most beautiful of all large red dahlias. The color of the huge, deep flowers is a glowing clear scarlet-red. Roots \$35 3 for \$75

**HEATHERBLOOM (I. D.)** The formation of this variety resembles a large recurved chrysanthemum. The color is a rich rosy purple with heavy shadings of white. 6 to 8 inches deep and more in diameter. Roots \$.50

**HUNT'S VELVET WONDER (I. D.)** An achievement medal winner at the 1934 A. D. S. exhibition, which is the highest award any Dahlia receives, awarded a certificate at the Storrs Trial Gardens and mentioned on the various Honor Rolls for 1934. Color is violet-purple and burgundy to true purple. Blooms are not only large but deep and massive. The stems are very strong and the flowers stand out well. Roots \$5.00

**IDA PERKINS (F. D.)** We believe this to be the most widely grown white at the present time. Easily the best of the cheaper priced ones. Roots \$.35

**SHAHRAZAD (I. D.)** In California this is known as a pink Jane Cowl. This may not be an accurate description but at any rate it is a huge deep pink of good substance and depth. A worthwhile addition to any collection. Roots \$.50

**WHITE WONDER (I. D.)** Has been termed a white Fort Monmouth, and we believe it is going to prove as valuable as a white as Fort Monmouth has a purple. It is a fine deep flower with pointed petals. Grows erect and has a very tough insect proof foliage. A big producer of roots as well as blooms. Roots \$.35 4 for \$1.00

**SPECIAL 4 Prize Winners of my choosing from above list for \$1.00 prepaid.**

**YO YO (Ball)** 1933 introduction. A most perfect ball of rich autumn shadings. Base golden yellow with rich golden bronze suffusions. Has long stems and is a good grower. Roots \$.50

**IDEAL** Clear deep yellow. \$.25

**JOE FETTE.** Glistening pure white. \$.25

**SUPT. AMRHYN (Ball)** This clear pink invariably wins when shown in the Ball classes on the exhibition table. It is of good size and holds up well. Roots \$.50

**DARKNESS** Deep maroon. One of the darkest we have. \$.35
